### PRESIDENTIAL RAMBLINGS

Hello All,

Well there is still no EDITOR so this newsletter is a bit light on content. I am in the midst of writing a technical article for next months Leylines. But anyone with a story of his or her own would be much appreciated. Or even better an Editor would be even better.

Hopefully with the winter weather on the way out, the weekends will improve, and the club will be able to participate in and possibly organise a few motoring activities.

On the final page is an email from Norman and Marea Julian on behalf of the NSW P76 Owners Club.

I think it would be great if we could host the 2003 meeting, apart from the money we would save on travel and accommodation. As I understand it the P76 was actually officially launched here in Canberra in 1973 making it even more significant. Although with the difficulty in getting a volunteer for a new editor, the chance of getting an entire organising committee may be wanting a bit much, but we will see.

Hope to see you all at the meeting on Monday.

Alex.

Canberra P76 Club

Dear Fellow Enthusiasts

I am writing to you with regard to the proposed Easter Meeting that should be held in 2003.

As you are aware, NSW hosted a very successful Easter Meeting this year in Bathurst and next year it will be in Perth.

Unfortunately, we have not had a club volunteer for the 2003 get-together, so a delegate meeting following this year's gathering was held, and it was proposed to ask the Canberra club if they would be interested in doing the 2003 get-together.

I was wondering if you would put this proposal forward at your next meeting and let us know the outcome.

Thank you for your attention to this matter and look forward to your reply.

Yours faithfully,

Norman and Marea Julian  
(on behalf of the NSW P76 Owners Club)
