PRESIDENTIAL RAMBLINGS

Hello All,

It was great to see a reasonable turnout at the last meeting. This month we are having our meeting at David's house to view videos of past national meetings, and plan the "Easter 2003 get together".

Hopefully we can start to finalise plans and start to allocate tasks to various members.

Another positive thing is that we are getting many offers of assistance for the Easter meeting, from the various other P76 clubs around the country. Because it is the 30th anniversary everyone wants it to be something special.

Hope to see all of you next week.

Alex.

Alex Shoobridge is owed \$95.00 being for payment of P.O box, final notice fell overdue and some correspondence from other clubs were returned to sender. Delay was due to a misunderstanding that the bill was already paid by the treasurer. It was not.

General Business – Discussed the unavailability of new strut inserts from Monroe. With news from the S.A. club that Monroe have thrown out the tooling and so no new inserts can be manufactured.

The possibility of organising adequate public liability insurance to cover the Easter event was raised.

It was concluded that the actual place where the car was unveiled and launched was the public parking space outside the “Private Bin” at East Row in civic.

Easter Meeting Discussions – It was estimated that approximately 100 people are expected to attend.
The event will run from Friday evening till Sunday afternoon.
