# Editorial

The recent events at the Chevalier College and the Boeing Display Days were both top outings and well supported.

The Xmas and festive season is not far away so a reminder to all of our members, it is time to select some of your best photos of any subject matter to bring along to our Xmas night meeting for another fun photo competition. Last year it was a treat to view so many interesting and varied photos that were displayed.

Also on our Xmas night bring along gift for our free raffle and also a plate of food. There will be another newsletter, the last for 2010 in December prior to our Xmas night on 15 December.

Early in the New Year we have two very good events in February which are the Berrima Rally on 12<sup>th</sup> and 13<sup>th</sup> February and Wings Over Illawarra Display Day on 28<sup>th</sup>, so this will be a great start to 2011.

Well that's it for now, see you all at our next meeting.

JOE GREEN

## FUTURE EVENTS 2010

December 15<sup>th</sup> Xmas Party Night at Club Rooms

Christmas

# The New Year 2011

Feb 12<sup>th</sup> & 13<sup>th</sup> 36<sup>th</sup> Berrima Rally

Feb 27<sup>th</sup> 2011 Wings Over Illawarra Show

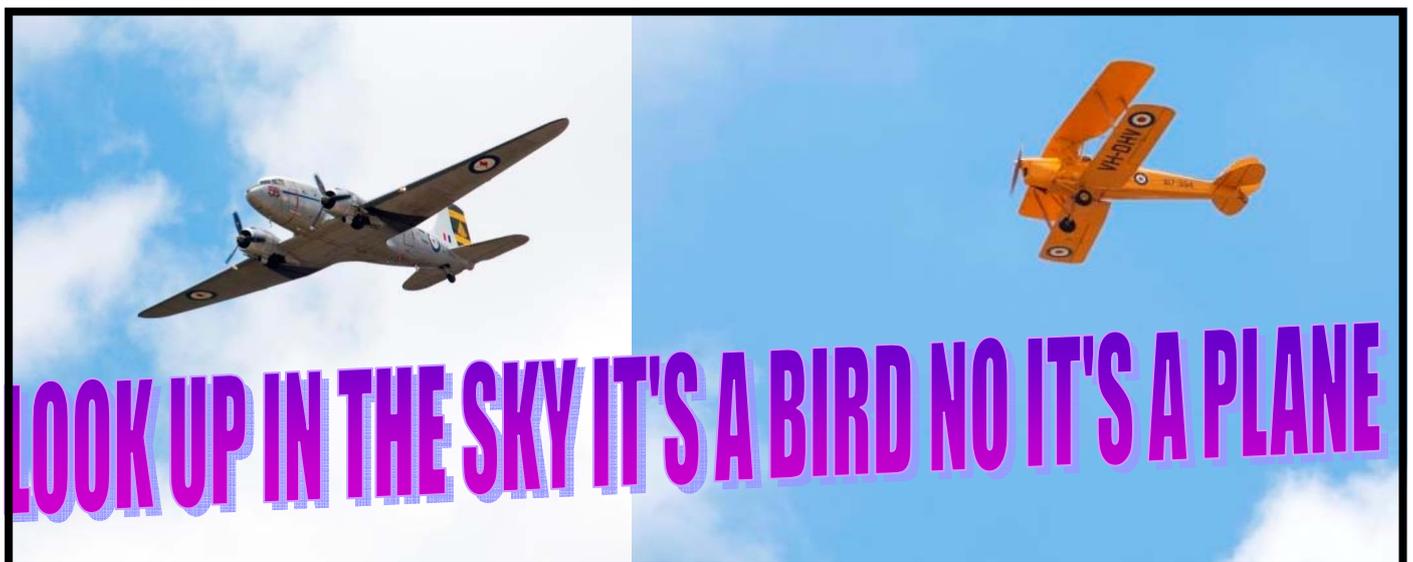

This was one of the best and well organised events that I have been to for many years, and this day was centred around entertainment for the family.

On arrival we all had to go through a security check and our cars were parked in a holding bay until our induction was completed and we then received our ID cards. All of the cars were then placed in a display area. Denise Mort and Greg had their Immaculate Country Cream P76, Russell Nicholson had his Outstanding Spanish Olive P76, Kevin Cross his Country Cream (under restoration), Peter, Pauline and Ben O'Brien were in their Immaculate Country Cream Super P76 and Kevin Ward brought along our Club car, the late Don Chappel's Country Cream P76 and also his H.R. Holden; so many cream cars it was amazing. I brought along the Force 7. Troy had his Immaculate Purple P76 and Roger and Rita Martin had their beautiful F.C. Holden.

There was also a mixed display of Morris Minors, an immaculate Bull Nose Morris Cowley, a Hot Torana, Morris 8/40, and an ex-speedway car. The overall display was a good mixed one and created much interest.

As visitors it was a cost free day for all of us, so morning tea, coffee soft drink and cakes were provided and then we decided to go on a tour of the hangars.

It was very interesting viewing all of the machines that Boeing manufacture for the various planes including the Airbus A380, the A330, the 747 and many others.

# MIXED CAR DISPLAY

After leaving the hangars many of our members enjoyed a drive in the Dodgem Cars (very entertaining) and there was a magic show, and clowns in one of the hangars and the kids could have face painting if they wished. There was a giant slippery slide, a jumping castle, a spin on the cup and saucer, an animal farm, a jelly bean and footy competition, you could paint a plaster model and take it home, ride on Casey Jones trackless train, ice cream, fairy floss, snow cones, drinks, available all day. There was an air show organised by H.A.R.S. Wings over Illawarra Aircraft Society that was outstanding.

The lunch was great and included a variety of beef, lamb, chicken and salads, and plenty of it. If you desired you could have your photograph taken in front of the vampire if you wished. A great band was playing music all day, good music and very entertaining.

To conclude, congratulations and many thanks to Julie and all of the many volunteers who devoted so much time to make this a very successful day.
