# SOUTH COAST HOLDEN OWNERS CHARITY SHOW DAY 2011

## SOUTH COAST HOLDEN OWNERS CHARITY SHOW DAY 2011

Sunday 26<sup>th</sup> June was a great day to hold a Show & Shine. Sue and I left Sydney at about 8am on a beautiful mild and crisp sunny winters morning. We stopped at the local Servo to top up with fuel etc. and were delayed for a short time due to a couple of young blokes who came up to me and as usual started to quiz me about the history of the Leyland P76.

After chatting to them for some time we then began our journey to Kembla Grange Racecourse. We arrived at the venue at about 9.30am and set up our car beside two very immaculate 1959 Chev's that were owned by a father and son. We talked to them for some time about how they became involved with their Chev's and the details about their restoration efforts were most interesting.

Soon after, Rick Hopkins and Diane arrived and it was great to catch up with them both once again. Kevin Ward was next to roll up and he brought along with him his two cute little dogs. The host club always organises a giant raffle for charity (many great prizes were donated) and Rick and Diane were very lucky and won a model car (value \$120). Sue and I won a box of polish and car cleaning products.

We browsed around viewing all of the great cars on display. One of the top cars was a 1938 Buick Coupe in outstanding condition – it won the award of the day. Another outstanding vehicle was a 1964 green EH Holden with an outstanding white leather interior. It was another show-piece and also won a prize. There was a great Ford F-100 and an International on display that also created much attention.

There was a red VW Beetle with a chrome motor on display that I have seen at many shows and it still looks terrific.

The Fire Department had a great display and had demos of fires in kitchens and showed how to extinguish them safely. It was very informative.

The Trade Displays were very good; many model cars of all makes and sizes including Trax models (there was no P76 available. The store holder told me they are in short supply and sought after). There were also trade displays of re-chroming bumper bars and parts and many other interesting stalls.

We had a nice lunch in a very sunny spot, and then all of the prizes and awards were presented after lunch – unfortunately we didn't receive anything. We then said our goodbyes to all and headed off home at about 3.30pm. **Joe Green**
