Editorial

Well we are now into the month of July and the beginning of another club year. I hope it will be another great year for all P76 enthusiasts.

We have many top events and outings to look forward to in the year ahead. Shortly we have Shannon's Eastern Creek Classic weekend, followed by the very popular British Display Day at King's School combined with their great Art & Craft Carnival and Fair. Then the Highlands Motorfest at Chevalier College at Bowral, the B.M.C. Leyland Heritage Group Reunion, the Orange Blossom Festival at Baulkham Hills and then in the New Year we begin with the NRMA Motorfest, then the Berrima Rally 2013 that will celebrate the 150th Anniversary of Bowral and Moss Vale. The local council has provided the historic Bong Bong Picnic Racecourse in Bowral to be used as the main venue point for the weekend rally. This will be a great event.

Also in June 2013 the Canberra Club is in the process of organising an event in Canberra to celebrate the 40th Anniversary of the Leyland P76. This will be the highlight event of 2013 and should not be missed.

Thanks to all of the members who have paid their membership fees so promptly.

That's all for now, I hope to see you all at our next meeting

Blue Targa Flies to Wings over Illawarra.....

I had some second thoughts about taking my Targa out to 'Wings over Illawarra' in May. The car is on LPG and recently it has developed a fault with the petrol / gas switch. I took the 'P' out for a test run on the Saturday before the show and twice it stopped and took a bit of fiddling to get going again. Not the type of thing you want to happen in bumper to bumper traffic, while entering and exiting a car show!!

I was organised to take Joe and Sue Green and my young son Aidan wanted to come also. In the end I decided to give it a go. Joe and Sue arrived about 8.00am and we set off in the morning chill. The car made an absolute liar out of me as it didn't miss a beat all day. The only issue we had was the poor signage and trying to find the correct entrance. At one stage we headed down a dusty lane and ended up at the a bikie headquarters. The leather clad and tattooed guys started looking at the 'P' as I turned around and I am glad it didn't 'Conk' out then and there.

We had a great day looking at the cars and planes. The theme was 'MG T Series' cars so there were lots of TD, TC and TF MGs as well as MGA's and a few MGBs. Of particular interest was a supercharged MG Y which had plenty of horse power under the hood!! There were hundreds of classics to look at. I also enjoyed the Studebakers. Kevin Ward arrived later in the morning with his Rover.

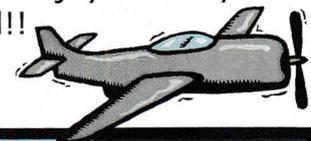

We caught up with Paul Van Look and his wife for morning tea and lunch and they created a lot of attention with their immaculate Yellow Marina. The air show was great with displays by the 'Red Berets' and fly-overs with 'Connie', P51 Mustangs, a Spitfire and a 'Black Cat' Catalina.

Happy motoring.

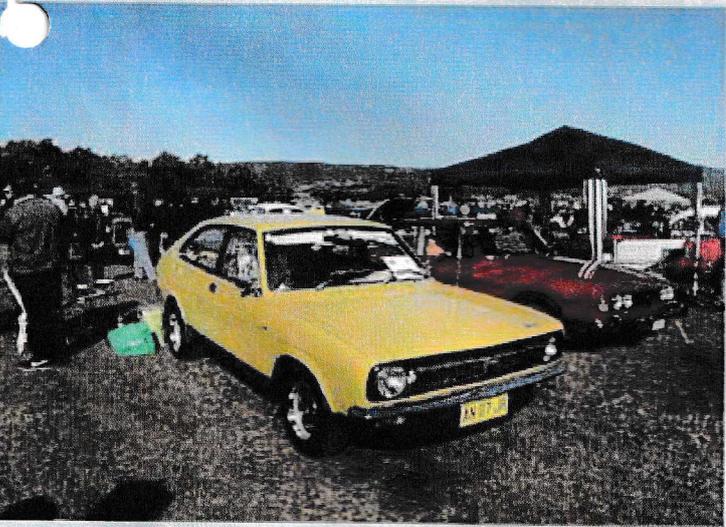

Regards,
Ross Rickard

The P76 fired up and we **'flew'** home without a hick-up. We had a really enjoyable day but I must get that switch fixed!!

Shocking NEWS

Front shocks are not availableSpeaking with some other members interstate there are issues with getting front shocks for our cars, there may be a possibility of getting a last order if we act now & if you need a set or think you might need a set in the near future now is the time.. We think they will be around \$250.00 a set If we don't get the numbers they wont be produced.... They are **Pedders** shocks & they currently have no stock.
