Editorial

Well the 40th Anniversary of the Leyland P76 in the A.C.T. is our next major event that will be held on the 29th and 30th June 2013. The organisers have been putting a tremendous amount of work into it and I am sure it will pay off and be a great event.

The number of P76s that will attend I have been told (unofficially) is over 60 cars at this point in time and the number of people registered for the Saturday night formal dinner at Rydges Lakeside Canberra is about 150. There will be a few surprise guest speakers on the night.

The recent National Motoring Heritage Day on the 19th May was well supported at all venues. I have been informed again that Bella Vista was very well supported and also the numbers that attended at Mittagong extremely high.

Your club fees are now due and it would be appreciated if all members could pay their fees promptly. If you are receiving your newsletter by mail, a renewal form will be included with this newsletter, if not and you receive it by email, please post your cheque or money order to the Club address.

I will close now and look forward to catching up with all of our fellow P76 enthusiasts in Canberra. I know for a fact that you will see many P76s that have not been on the road for some time, as they have been in storage.

Joe Green

PLEASE NOTE:

In issue No. 5 April to June 2013 in the B.M.C. Experience Magazine there is a great article about the P76 and the front cover displays two P76s. You can order it from your newsagent if it is not on display or you can phone (03) 5250 4842 to order a copy.

Also, Top Gear Trax Models in June will be releasing the 1974 Work Cup Rally Car Model P76 that was driven by John Bryson and the late Evan Green. Cost is \$42.95 plus postage. For full details phone: 1800 635 508. It is a great model and a must for all P76 enthusiasts.

Friday 28th June 2013

Anyone who arrives on the Friday may want to meet up for a get together at the Ainslie Football Club for a 6.30 dinner in the restaurant & after there will be a guest speaker **Alan Nicolson** who has a vast knowledge of the P76 as he was a Vehicle Engineering Manger for the P76. This will be a great start to the week end.

VALE GRAHAM STUBBS

Graham Stubbs passed away recently after a long illness. Stubbsy as he was known, was the largest mover and shaker for the Australian National Street Machine Association NSW Division and held the position of President for many years. I think it was over 20 years, however I am not quite sure).

Graham raced at Castlereagh International Dragway in the 60s and 70s and drove a 55 Chevy. His next car (to my knowledge) was a Chevy Malibu. Graham was a carpenter and boat builder by trade and a perfectionist. He called the vehicle Malibu Magic and won countless awards for this car over many years.

I first met Stubbsy in the early 1980s and I must say I always found him to be a great guy, easy to get on with, nothing was ever too much trouble or a problem you could not resolve. He was always very happy and even though he developed a major health problem he could still have a laugh and always had a great determination to survive. His passing is a big loss to us all and he will always be remembered.
