# President's Report

Greetings Everyone

Winter has definitely set in so keep warm and healthy!  
Not much news to report on this month but the Committee has been having discussions regarding the Monthly Newsletter.

If members agree we would like to change the Newsletter to quarterly - 4 newsletters each year. At this stage we are looking at Pre- Christmas, Pre- Easter, Winter and Spring will be the approximate times for newsletter delivery.

This means, we hope, the Newsletter will be a better production with more content. If there are any important dates for events or information that club members need to be made aware of we will email you or give you a quick call to keep you informed. We can talk about this at our meeting on Wednesday.

No news yet as to our Car Run with the South Coast Holden Club ( we mentioned it in the last newsletter) but we will let you know as soon as we have details.

I am in the process of making a deal with a Battery company that manufactures good quality heavy duty car batteries with approx 610 Cranking Amps - they are willing to give our club members a reasonable discount.

See you at the meeting on Wednesday - go **NSW State of Origin Blues!!!**

Peter O'Brien

## Membership fees due 30<sup>th</sup> June 2015

# CONGRATULATIONS

Congratulations to our member Ray Ikin for the recent interview on Man & Machine TV Show on Channel 74 4ME Channel.

Ray was Interviewed by Glen Everitt about his great Car Collection of Classic Cars. We recently had an article in our Magazine about his large & extensive collection. He certainly has a massive number of top cars & they are housed in his immaculate private Museum.

It was fantastic that his Force7 was one of the main features of the show, Glen spoke to Ray intently about the whole P76 Story & was very complementary about the Leylands.

He also did a very good Road Test in the Force7 & it performed magnificently & looked great.

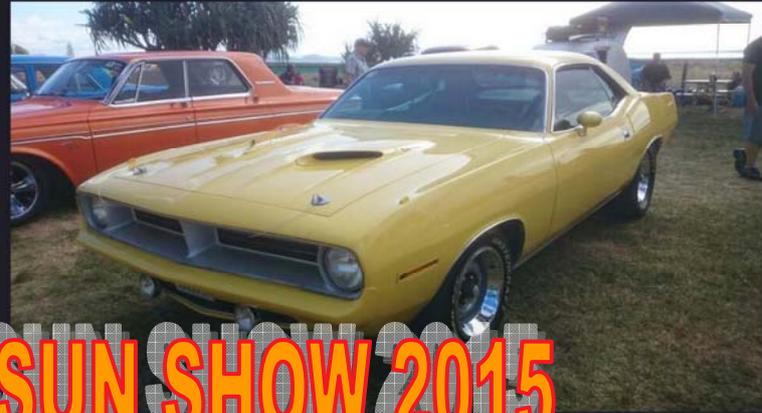

It is fantastic that more respect is now being given to our Leyland P76 Car's...

If you missed it on tv it may be repeated but it can easily be found online at.

closed at 8:50pm followed by supper

# TAILPIECE

**INTERESTING  
STUFF**

After 30 long years of waiting, the famous Torony extractors are available again. Developed by P76 Sporting Car Club members Joe Torony and Paul Patten for their famous Budgie P76 race car in the early 1980's, the Torony extractors are the only after market extractor developed specifically for the P76 V8.

The Torony extractors were developed after many hours spent on the Dyno, ensuring that there were substantial performance gains.

On a standard V8 engine, the Torony extractors were gaining an extra 18% in torque with the correct tuning.

These extractors are available now exclusively through Mentiplay Leyland.  
Mild Steel: \$600.00  
Stainless Steel: \$800.00
