PRESIDENTS REPORT

September/October 2014

Greg Bryant

Hello to all it is your new President, my name is Greg Bryant if we have not met. This being my first report I would like to thank all committee members elected or re elected as we move forward.

My interest in the p76 was from early days as my grandfather had one, my father and aunt and uncle bought some after .I remember family outings with Country Cream, Aspen Green and Bold As Brass P76s, so I never had a chance.

On club related issues the Shannons Sydney Classic was an extremely wet day unfortunately but we as a club still had a good turn out which was great to see. All British Day was postponed and finally cancelled due to ongoing wet conditions in Sydney .The BMC Reunion Luncheon was a top day as always, nineteen cars were on display with a bit of diversity of BMC/Leyland models. Merchandise sold on the day was good after missing opportunities lately. The speakers all did a great job and interesting as always.

Well until next time get your P76 out as much as possible.

AND ED SAID.....STEVE WATHER

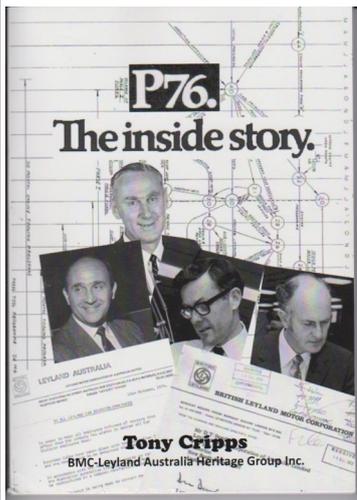

Hi All. Yes it's magazine time again and for the first time in 9 years I find myself not in an Executive Committee position. I'm not complaining because it will be good to clear my head a bit and give some more thought to "The Leyland Post". Congratulations to Greg Bryant, our new President, for attaining the dizzy heights of Club President. I have know Greg for many years and I am sure he will do a brilliant job backed up by the rest of the Committee. We wish him well in his new position. Congratulations also to the

rest of this years Committee as most of them are backing up for another year. As you can see I have retained my position as Magazine Editor and I will continue to try and provide you all with an interesting bi-monthly read.

Apart from Greg some minor changes have happened in the Committee. Glenn Gray, who has done a brilliant job as Parts Officer, has stayed on for another year but is now joined by Shannon Wharton, who is looking after the parts container and myself, who is looking after club merchandise. With the 15th Leyland P76 Nationals in South Australia next year it looks like it's going to another exciting year for the Leyland P76 Owners Club NSW. Make sure you check out the latest issue of Australian Muscle Car for a great story on the Force 7 featuring our own Dave Nelson.

Outside of the club there have been some exciting things happening. Tony Cripps from the BMC/Leyland Australia Heritage Group has been working on a new book on the Leyland P76 called "P76. The Inside Story". This book was released at the BMCLA Group lunch recently and after already having read it from cover to cover I can tell you it's a fantastic read. I'm sure most of you have read Hal Moloneys book "Leyland P76" and Gavin Farmers book "Leyland P76 Anything But Average" well this new book gives you the story from Leylands own perspective using personal accounts and Leyland documents to tell the story from concept to Waterloo plant closure and beyond. The club has been lucky enough to secure limited quantities of the book for sale at the discounted price of \$20 to members only. Make sure you get your copy before they are all gone.

Micheal and Justin Coates from S.A. recently competed in the Classic Outback Trial in their P76 and finished a creditable 9th Outright an first in Class. Great job boys. Space restrictions in this issue mean more next time in "The Leyland Post"

SHANNONS SYDNEY CLASSIC

The 2014 Shannons Sydney Classic at Sydney Motorsport Park on Sunday 17th August was the wettest for probably 15 years. The long dry spell was broken just prior to the weekend and it rained fairly steadily all morning, finally stopping around 1pm. As you

can imagine a vast number of cars and people didn't turn up, not wanting to get their classic out in the rain. Despite the significantly depleted numbers the P76 was well represented predominately by members of our club. Keith Gillian, Marty Stockwell, Kay and Tony De Luca, Steve Maher, Glenn Gray, Mark Ellery, Greg Bryant all brought their P76s with Shannon Wharton bringing his Dodge Pheonix, Adam Pinnock his Ford

F100 and Shane Fox his HR Holden, Greg Gibson and Bert Colombin also joined us

and we can't forget Scott Wilson who was on the buses so all in all a good turnout. Also Present in P76s were Peter O'Brien, Joe and

Sue Green, Kevin Ward and John Dalley in his very rare genuine Black P76 Deluxe.

Once again the club decided to hire a garage for the day and what a brilliant stroke of genius that was considering the poor weather. All of us had somewhere to hang out nice and dry whilst showing all our wares for sale. The Targa Florio was a featured model on the day celebrating, of course, its 40th Birthday. As is usually the case we didn't see much of

Kay and Tony all day as they are both very busy with CMC duties but for the rest of us it was a great day to have a chat. Our parts and merchandise sold well considering the low turnout of people. This was our new President, Greg Bryant's, first function in his new role

and as such was present at the CMC Presidents Meeting which is held later in the day.

Thanks to all who attended and helped out. Once again another successful day for our club.

FUTURE DIRECTIONS OF THE LEYLAND P76 OWNERS CLUB NSW

It was decided at the Committee Meeting held on 2nd September 2014 that the Club should prepare for the future in various ways.

After attending the series of workshops run by NSW Communities Sport & Recreation under the sponsorship of CAMS in relation to "Running Your Own Club", the importance of a proper club structure was emphasised. The Club should have a Job Description for every Committee position, so that when others take over the role, they have good guidelines to follow so they can step into the role.

The next important aspect is a Business Plan and this can be done in a simple way to show what direction the Club would take in the future. Like running a small business, a Club is no different in the way it should analyse its marketing abilities and what is expected from its members and where it should be heading. Most Clubs suffer from the aspect of gaining membership and attracting suitable people to take over when an officer steps down or moves on. Unfortunately many Clubs make the mistake where the office bearers remain in these positions for too long and this reduces the opportunity of others with suitable talent to take a leading role.

Like any organisation, things do not remain static and whilst the initial purpose of the Club is of high importance, the operation of the Club must be within the guidelines of the administrative Government bodies.

The intention of the Club's Committee Members is to follow these guidelines and have a suitable Business Plan for the Club to follow in the future.

DELFORCE LEYLAND

Noel Delforce has been working on a few modifications that may be of use to some. A couple of these have been used on the new engine built by Noel for Steve Maher. First of all there is the baffled sump. This was developed using the ideas from the Range Rover sump and the baffle plate modification from years ago. This combined with Noel's race/rally experience gives us the Delforce Sump. These are available on an exchange basis from Noel for \$150.00. A must for any spirited driving. Secondly we have the Sandon 508 style air conditioning compressor mount. This bracket converts your V8 to take a modern Sandon 508 style rotary compressor instead of the old York piston compressor - more efficient and less weight. The bracket includes a new idler pulley and drive belt. Price is \$400.00. Lastly is an engine mount bracket to convert from P76 to Rover engine mounts. Price is \$120.00 exchange not including the rubber engine mount. These can be acquired directly from Noel Delforce at 0424 538 933 or noeldelforce@hotmail.com

BOOT CARPETS

One of our members from Victoria, Stuart Brown, is almost ready to supply new remanufactured P76 Boot Carpets.

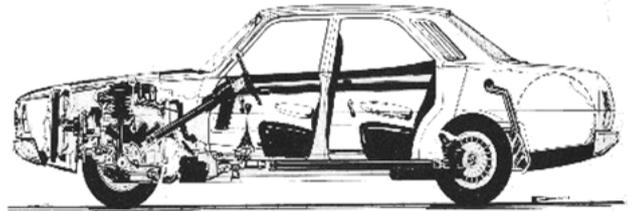

These will be available in the standard Executive loop pile black or in other colours and plush pile if required. Expected availability is mid to late October.

Initial cost will be \$190.00 + freight. We are currently putting together an initial order so if you want one please contact Glenn Gray or Steve Maher.

Other items coming soon include Tool Cover Boards and rubber Boot Mats as per Deluxe/Super. The Tool cover are being looked at now with rubber Boot Mats available before Christmas.

Leyland P76 Owners Club (SA) Inc

P76 ROCKER COVER RACES

This is intended as a fun social event aimed at engineering aptitude

THE RACERS

The racers shall have no power source. All motive force is provided by gravity.

Racers shall be based on a rocker cover from P76 V8 or 6 cylinder motor or Rover V8.

The racer shall be no more than 40mm longer than the rocker cover base overall.

The wheel track shall be no more than 200mm.

Racers shall have 4 wheels no more than 150mm diameter.

The maximum racer weight shall be no more than 3 kgs.

The racer shall be clean (no sludge). If the racer drips oil or grease it will be disqualified

THE COURSE

The course shall consist of a launch ramp 2.4m long, followed by a level run of 6m.

The launch ramp shall be divided into 2 lanes, each 450mm wide and shall be 600mm high at the rearmost part and level with the course at the front edge. The front edge shall be beveled to provide a smooth transition from the ramp to the run-out lanes.

The official starting line shall be 600mm from the rear edge of the ramp. A mechanized starting gate shall be employed. Details of the release mechanism dimensions to be decided.

The run-out section of the course shall consist of 2 clearly marked lanes 900mm wide.

The finish line shall be marked 6m from the front edge of the launch ramp.

RULES OF ENGAGEMENT

Scrutineering will take place to ensure compliance

The competition will be conducted 1 heats of 2 racers at a time.

The racers are to be launched with their front wheels on the starting line. The first racer to have its front wheels cross the finish line is the winner. If neither racer makes it to the finish line, the racer going the furthest in its lane wins.

If the wheels of the racer should touch or cross over the lane markers, the racer shall be disqualified. The remaining racer automatically becomes the winner.

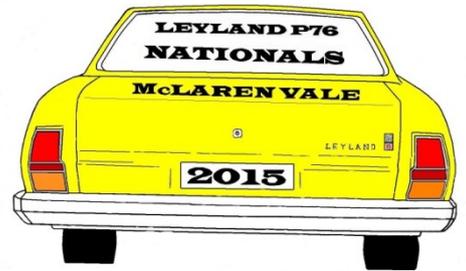

Winning racers will advance to the next round until all are eliminated except 1 racer, which will be declared the outright winner.

Other methods of deciding the winner may be developed. i.e. a round robin type event where every racer gets at least 4 runs before the knockout starts

THE SEPTEMBER “OASIS” RUN TO THE GO-SHU AUSTRALIAN SAKE FACTORY AT PENRITH

The September outing once again began with morning tea at MacDonald’s at Eastern Creek (south side on the M4).

53 people in approx. 30+ vehicles drove to the Sake Factory in Penrith (the 2nd time within the last 3 years). Again it was a very informative visit at which we were shown the process of Sake manufacturing in Australia, using premium grain rice from the Leeton District. Sake is only manufactured in a few countries outside of Japan where the rice is of suitable quality and Australia is one of these few locations.

Approximately 80% of the manufactured product is exported to Japan where it is distributed mainly to the USA. The General Manager, Alan Noble, also explained the process of by-products of the Sake process which includes hand cream and soap (made from the residue of the rice).

A tasting of the three varieties of Sake was enjoyed by all in attendance and many took the opportunity to purchase some of these excellent products.

We then proceeded to O’Donoghue’s Irish Pub in Emu Plains, where we enjoyed a superb meal. On this occasion we again took the Austin Maxi which seemed to enjoy the Oasis outing.

BMC/LEYLAND AUSTRALIA HERITAGE GROUP LUNCH

The annual BMC/Leyland Australia Heritage Group Lunch and car show has rolled around again giving us that rare opportunity to talk to the people who made our cars. Numbers of display cars were a little down this year which was a pity as it was a great day for it after all the Sydney rain. We missed catching up with some of the Qld guys and the Classic Club members as both groups were absent this time around. 19 various BMC/Leyland cars were on display including of our P76s and Warrwyk Williams NV Green Force 7 that is currently being looked after by Graham Foy.

Will Hagon was once again the MC and as usual did a brilliant job. He has the knack of wandering off on what seems a totally unrelated story but it always ends with a link to BMC/Leyland. Barry Anderson gave us a run through on the new BMCLA Group website, <http://www.bmclaheritage.org.au> and introduced the new book from the group written by Tony Cripps “P76. The Inside Story”. Group President Greg Kean gave a presentation on the Morris 1100 from a personal account. It’s the Morris 1100s 50th Birthday.

Lunch as usual was plentiful and tasty and our Kay De Luca once again did a great job putting the day together. Thanks to those who brought their cars along, Greg Bryant, Noel Delforce, Kay and Tony De Luca, Marty Stockwell, Steve Maher and David Place.

Members of our club attended the recent Muscle Car Masters at Sydney Motorsport Park. Although weather was less than kind with a mixture of fine and wet, there was enough fine to make the day enjoyable. Naturally the classic race cars were the highlight but the number and quality of Australian Muscle Cars is pretty spectacular.

Marty Stockwell was "fresh" back from his holiday in the UK and he joined Steve Maher, Dave Page, Noel Delforce and son as well as our newest member, Brian Maddaford. Brian hails from the Southern Highlands and it is always good to catch up with new members. Brian drives a very nice Bitter Apricot Executive.

MINUTES OF GENERAL MEETING
HELD ON TUESDAY 9th SEPTEMBER 2014 AT 8.10 PM

- Present: 12 Members as per attendance book. Greg Bryant in the Chair.
- Apologies: Brian Hooper.
- Minutes Of Previous Meeting: Minutes of the previous Meeting were read and confirmed.
Accepted: Steve Maher Seconded: Bert Colombin
- Business Arising: Nil.
- Treasurer's Report: As per Bank Statement Moved: Paul Patten Seconded: Glenn Gray
- Address by Bowling Club President: John Davidson, President of the Wentworthville Memorial Bowling Club addressed the meeting to announce the closure of the Club on 31st December 2014. A meeting of Club Management will take place on Friday 12th September at 4pm. All members and social club members are urged to attend. We will be advised if an alternate location can be organized by the Bowling Club.
- Correspondence: IN: Email in: Qld. August Magazine; Westwords September Magazine; Classic Club August Magazine; RetroAutos September Mag; Membership Payments; Club logos voting; Allen Seymour Marina Coupe for sale; Merchandise Sales Shannon's Sydney Classic; Adrian Spencer Zinc Plating Car Parts; All British Day postponement; Octivo Motorsports Shirts; Peter Swale payment; Glenn's Job Description.

Parts: Glenn stated that it had been a quiet month for parts sales. He wants to order some further parts from Qld and WA.
Website: Nothing to report.
Merchandise: Steve reported on the merchandising sales and present position on the items, as the merchandising aspect has now been taken over by Steve Maher. A new Targa Florio mug has been added to the range. Merchandising items will not be offered for sale at Muscle Car Masters on Sunday 7th September 2014.
Activities Past: Unfortunately the weather was not kind on 17th August 2014 for the Shannon's Sydney Classic, with approx. 700 vehicles only on display (expected 1,800). Under the circumstances it was a good day and the P76 Owners Club was well represented. The All British Day was cancelled for Sunday 24th August 2014 – postponed to 14th September and similarly cancelled due to wet grounds at The Kings School. Five P76s, one Valiant and one Torana attended the Muscle Car Masters at Sydney Motorsport Park on 7th September 2014. Brian Maddaford (new members) also joined the Group for the display.
Activities Future:
BMC-Leyland Australia Heritage Group Luncheon – Sunday 21st September 2014 at Ryde Eastwood Leagues Club. A new book on the P76 will be launched at the function.
1st Sunday of the month Kellyville Coffee & Cars (Wrights Rd, Kellyville)
McFeeters Motor Museum at Forbes – date to be decided.
- General Business: Steve announced to the meeting the result of voting on the Club Logo. The new logo has now been adopted.
The members at the meeting were asked to consider a venue for the Christmas outing. The Nepean Belle Paddle Steamer was one option and The Postman's Run on the Hawkesbury River was another. A decision should be made by the next meeting so that details can be finalized. Kay to advise Keith Gillian of this decision.
Other suggestions for Club runs – Australian Motor Life Museum at Wollongong and Museum of Fire at Penrith.
Steve would like some articles for the next Magazine.
- Next Meeting: Next General Meeting – 14th October 2014.
- Closure: Meeting closed at 9.35 pm.
