## Penzed for January 2023

Who'd have thought it, 2023, forty years after the start of our Club. Only a few nights ago I was talking with a senior member, and he said that frankly he never thought we would still be here, but we are and in strength of numbers, so onward we march, into a very **HAPPY NEW YEAR** we hope. This milestone seems to have slipped by to an extent despite ten or so of us heading to Parkes in NSW for the Aussie celebration. Having said that I know not what awaits those of us who head to Dunedin. So indeed, a new year beckons you and your P76 to show it off, enjoy it and the company of other enthusiasts and celebrate our remaining freedoms.

And now to start the New year off in a tragic way, an **Editorial Apology and Disclaimer** I'm advised, or told that I put December 2024 as the date your next sub is due on your invoice. And you know what I did! **HOWEVER**, this is an error and I know you are all aware your sub only carries for the next twelve months, this time being December 31, 2023. End of story.

Administrative bits included in this issue are several, mostly at the rear. You will find:

**Form of Proxy** - self explanatory should you want to be heard at the AGM but can't make it.

**Notice of AGM** - an official requirement for us to notify you sometime before the AGM about where and when it will take place. This will also be the cover sheet of the AGM Booklet included with your next Penzed, in March, that includes such niceties as the Presidents Report, Accounts and Minutes from our Zoom meeting held for 2022.

**The 40<sup>th</sup> Anniversary and AGM and Tour.** The amended Itinerary and registration form for those procrastinating. I filled mine out tonight, but I think I was first to book a room! Some changes have had to be made due to circumstances beyond the control of "The Ladies" and the businesses we were hoping to visit, however they have arranged very good alternatives for us to enjoy. Those of you who registered early will by now have been advised of the changes and alternatives sorted. If not call one of the numbers on the form now.

And as a late Christmas entry I hope to include a Kiwi version of a classic poem for your enjoyment. It just didn't make it last time. Do you realise there are numerous poems and the like on the web site under the "Other" tab in the Poems section. Worth a read.

### Local Group Activities

Remember, all members are welcome to attend any event advertised in Penzed anywhere in New Zealand should you wish to join the party or happen to be in the locality at the time. The listings are only regionalised for the convenience of local group members. So don't be shy, gate crash an event mile from your normal stomping ground. You will be made very welcome.

**Sadly, all scheduled events are still subject to Covid 19 restrictions as and when they occur but currently you are good to go.**

**The Southern Group** They now have their meeting as part of any event they are participating in rather than a set venue. If you wish to join them when you're passing through next time just phone Don or Paula for information on where to go. Don and Paula's details appear on page 2 of your Penzed so carry it with you. Can you spot them both?

## **Northern Group**

While the Northern group consolidates, we advise contacting Vice President David Timms on 022 0399 880 or [weymouthpainter@hotmail.com](mailto:weymouthpainter@hotmail.com) and he will fill in the blanks for you. Locals looking to talk Leyland or visitors should check with david to see what is available to you.

*Northern Group needs to pull together and create an opportunity for members to come together and re-establish a regular meeting/event calendar to keep the Group viable. Doesn't have to be monthly but at least something to keep you in touch with each other. Just a thought.*

**Hamilton** offers members a **Classic Breakfast** opportunity. There has been autojumble for sale too. Join the classic fraternity at **Classics Museum 11 Railside Avenue Hamilton**, for a good hearty breakfast on the first Sunday of each month. Join in the fun and food at the **Juke Box Café**. Contact Ed Tubman if you need any further prompting. Try 07 847 9116 or 027 204 7112 or [tubmanp76@gmail.com](mailto:tubmanp76@gmail.com)

## **Central Group**

Ron Butler is our Social Convenor. Check with him on 04 902 0275 or email him on [ron.butler43@gmail.com](mailto:ron.butler43@gmail.com) for information on our goings on. Regular venue meetings are no longer held by Central Group. We can be roused from our slumber at short notice!

## **Local Events for Central Group**

**Lake Ferry** was missed by me due to Covid and Ron due to his car being used for a wedding. I'm told by one of the Sunbeamers that while the weather was carp all around the 25/30 cars that made it out to lake ferry enjoyed a lovely day. Isn't that the way! No one else has confessed to going from the Leyland P76 Club.

There is a **Vintage Weekend in Wanganui** over January 21 -23 2023. This has since passed but I know it would have been a wonderful spectacle to witness had anyone visited Wanganui over the weekend. We weren't able to sadly, but I know many of the VCC people that went and may be able to flog a brief report to show you what it was about.

**Wheels with Attitude in Dannevirke is on January 29**. Sad to say the event was rained out. They told me as I passed through Dannevirke, sodden from the tropical storm we had at the beach, that the grounds were awash and despite pulling the plug the event couldn't carry on as the water didn't drain away! Next year we hope.

**Inglewood High School Car Show was postponed and is now on February 19**. Contact president Andrew for further information. He's on page 2 along with the rest of us.

## **British and European Car Day Sunday 12 February at Trentham Memorial Park Upper Hutt**

The \$10 entry fee is in support of Wellington Free Ambulance which has been the benefactor from day one. The host Club must be into WFA for over \$60K now but cannot prove it because both their and the WFA records are no longer complete. So, you see we have all done a power of good over the years. Gates open early so be there about 9.00 am.

**Auto Spectacular, Shannon Sunday February 19 at Shannon Domain** It's simple, arrive early before they have to close the gates. This is a huge vehicle and motorcycle show of spectacular proportions and comes highly recommended by Ron and Brian.

## NATIONAL NOTICES

You have your new altered registration form included here so that all remains is the filling out, paying for and turning up for a great weekend or week if you so desire. If you haven't done so already! Your Editor has finally arranged transport and accommodation to and from so if I can anyone can. Truthfully, I had a lot of help too. If you are a last minute entrant and find you received this a bit late please beg and just blame me, you won't be wrong.

### Birthdays and Best Wishes

January and February are a bit lighter on the celebrations, the first for the year being Ross Bubbins, one of our newest members, along with Jono Webb and Mike King for February. Mike, you don't look your age at all! February sees some more senior birthdays celebrated including May Golding turning 91 and Ian Hunter attaining 90, congratulations to you both. They are accompanied by Jan Moore and Tita Day and Jessica Walker, Ron's grand daughter who has been within the club forever. Happy Birthday to you all.

And our continued best wishes go out to those of you we know to be ill and recovering, and to our new Treasurer, Lyn Morris after her hand surgery this week. Hope it wasn't your lifting hand Lyn!

### And now some small event reports pertaining to at least one Leyland P76 per event.

A group of us went for a drive on 31st Dec down the lower Buller Gorge to Westport and lunch at Carters Beach where the cars are parked at the domain.

63 Ford Fairlane, Ford Mercury Truck, Skyline Gody *whatever that is?* My Chevy Camaro this too is news to many of us! Malcolm's 1956 Chevy Truck, My P76, and a Jailbar Ford Truck

We had a great outing. Who drove the Camaro?

Cheers Jan Moore

Here in the weather variable Wairarapa the local VCC had twice tried to take a gravel run to an isolated rarely visited beach, still unknown to most of us due the terrible weather finally destroying the road! In desperation they arranged a run to Lake Ferry on January 22. Assembling at Martinborough. Sonya, Judy and I arrived early to get a park and a coffee on what was finally a beautiful day. And what a grand turnout it was, watching the cars drive round the square and assemble on the southern side, mostly. Being the keen photographer, I took one photo! That is the 1936 Riley 12/4 tourer you see below. Not seen this car before.

Many there had featured on Penzed before over the years and more recently too. These include the 38 Packard Coupe, Riley Pathfinder, Morris 8, our P76, Plymouth Cranbrook and an MG ZA Magnette and not seen as far as I can recall were two Model A tourers, Morris Minor and 8 Sport, Morgan Aero, Rover P5, MX5, Daimler Sovereign and DB18, an Austin Hereford and a new to town Mitsubishi V3000 ex Tokoroa. A mint low k's car bought to replace a Camaro that my mates' wife could no longer travel in after a fall. Sadly, it had to go. There were others to, but recollection eludes me. A pretty red AC Cobra cruising around wasn't with us unfortunately. We meet a lovely English couple, he a Doctor, who were travelling around in a fairly original looking Model A tourer, their new Zealand based car for use here. Stories of classic racing and luxury cars back home had us enthralled over lunch, even Dave who has a big shed full of about 30 Daimlers from 1913 to 2009 I think, the last year of production! Sonya did question why I sit her next to people like Dave. It's because he makes me look tame in comparison, 30 cars indeed. And many a F & C lunch was devoured, it is what Lake Ferry is famous for.

## Troop Movement

And before moving into the next event report and cover story I must remember to welcome our latest member, within the Southern Group. They've done it again!

Welcome to Noel Moore who lives in PO Box 37 133 Halswell Christchurch who brings an orange 1975 V8 auto to the growing group down there. You will see he fronted to their AGM with his car I assume, along with a couple of other owner/guests. We had better watch this space.

### The Ashburton AGM under the big Walnut Tree.

On Saturday 21/1/23, under a large walnut tree in the Ashburton Domain, the Southern Group consisting of 12 members and 3 friends enjoyed a picnic lunch before a branch meeting was held. This meeting was originally planned to be held at the home of Geoff and Leonie Wheatley who have been kind enough to accommodate 3 containers of P76 parts on their rural property, however illness for both Geoff and Leonie, necessitated a change of venue to Ashburton. We wish both the Wheatley's a speedy recovery.

There were 7 lovely Leyland's of varying hues in the car park at Ashburton belonging to the Buchanan's, Morris's, Moore's, Hammond's, Connor's, D Prouting and new member Ross Bubbins. Missing was Don Alexander's Aspen Green which was trapped in a Christchurch garage by a malfunctioning garage door opener, which meant the Alexanders were reduced to travelling to Ashburton in Don's Rolls Royce.

Sandy Downes was also present and enrolment forms were handed out to yet another prospective member who briefly visited our meeting. *And has since joined.*

Retiring President Don Prouting, thanked the members for their attendance and also thanked the committee and their spouses for all the hard work and effort put in during the year. The financial report was read, and it was noted that our finances are healthy thanks to good sales of parts to our new member Ross. We then proceeded with our local AGM.

The election of officers for 2023 was held with results as follows :-

President : Jan Moore  
Secretary. : Paula Buchanan  
Treasurer. : Don Alexander  
Parts Mgr. : Don Alexander  
Events. : Ross Bubbins  
Reporter. : Jenifer Alexander

New President Jan then took over the Chair and conducted the meeting with thanks to Don Prouting for his term as local Club President.

Arrangements for the forthcoming National AGM to be held in Dunedin in March were outlined by Jan and we, as host club, are looking forward to meeting up with fellow members from the North Island and beyond Christchurch. Jan has had to tweak the programme a little due to some of the planned activities now being cancelled, but she has made good substitutions and members are assured of an entertaining time.

The Meetings closed soon after 1 pm and the people dispersed to their various locations.

See you in Dunedin! Jenifer Alexander

This issue has been brought to you with the welcome help of Jenifer Alexander, Eric Connor and Jan Moore for various photos and words throughout the issue. It all adds to the variety. Thank you, people.

And just when you thought you'd got away with it I remembered the missing bit of Admin:

**Your subscriptions of \$45 or \$60 if you wish to be a joint member along with your spouse/partner are now due as off January 1. Please pay to the ANZ Bank account number appearing on your invoice and page 2 of Penzed and no other.**

This issue is produced against many odds, holidays, power outage at home and time in general. Despite being an avid Dr Who fan I haven't mastered the art unfortunately! Please bear with.

### The Cover Pictures

I made brief reference to them in the Southern Groups AGM Report, however they need further explanation, if I dare. The B as B and BA Deluxe's are easy, Hammond and Buchanan. The top photo from Right to left, got that. Morris, Prouting, Moore, Connor and Bubbins. I hope that's correct, making the third photo Bubbins, Connor, Moore and Prouting with part of the Morris car on the end. Banished be the Rolls Royce! NB, the new Moore car may well be Bitter Apricot, time will clarify.

In case you can't define it the old 1936 Riley carried the clever personalised plate of " Life of" a touch of class I thought.

And to throw some variety into the mix, one sunny day (they do happen) I took Abby out for a driving lesson in our Charade (no MX5 for her yet) and we passed this unusual duo which I had to stop and record. Look carefully at the beautifully done Ford Zephyr Mk3 ute and the lovely old Kombi, both glistening away in the sunshine. Wasn't able to do a U turn to get what I thought to be a Model T truck that appeared to have just come out of the paint shop half a k further on! Could go round the round about to get the Z and Kombi. Lessons remember.

And so it isn't overlooked and underappreciated we should blow our trumpet or horn about the fact that in 2023 the New Zealand Leyland P76 Owners Club Inc is Forty years old and that our cars are being greatly celebrated in Australia over Easter, being the Fiftieth Anniversary of their production. And a bunch of Kiwi's are going over to help with said celebrations, including our remaining founder, Edward Tubman, founder members Ron Butler, myself (Rob Jones), David Timms and Maria Williams, Eric Connor, Mike and Carmen King and Steve Learmonth that I can recall. We are very well hosted by the Aussies.

Our 40<sup>th</sup> will be recognised by the organising committee for Dunedin, the Ladies, who I have immense faith in.

To be honest there are those of us who have been around from the beginning that never thought we would have grown old with the Leyland P76 Club. This also means I have to get a into g and come up with 40<sup>th</sup> membership certificate and double check those who may have attained their 20<sup>th</sup> and 30<sup>th</sup>. Oh dear, the things I have to do. But here we are seemingly growing in number which can only attest to the foundations laid by so many of us over the years.

In my honest opinion I believe that there will be more P76's on the road in five year's time than there are now, especially given the restoration rate of these cars in Australia, and I'm not talking cheap paint jobs here. Big money time and effort full blown restorations are regularly coming back to the roads.

So to all you lucky members with your great cars get out and celebrate them and have a wonderful anniversary.

**40** years of our great club

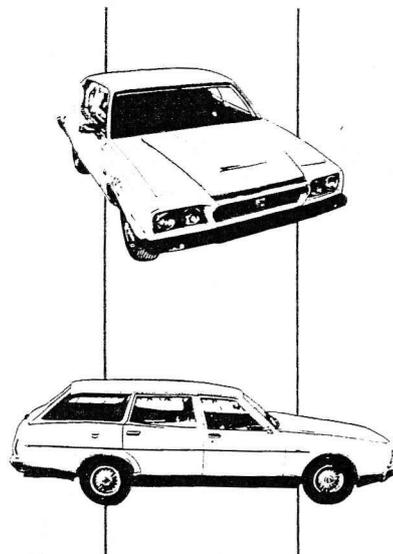

**50** years of our great car

## The Night before Christmas in New Zealand.

Twas the Night before Xmas and all through the bach  
Not even a weta was making a scratch  
Woolly socks were hung by the pot belly with care  
In the hopes that Santa soon would be there  
The children were snoozing in a light summer's breeze  
Whilst dreaming of spongy pud and lime green cream freeze  
And dad in his walk shorts and me in my jandals  
Had just settled down for a couple of handles  
When out on the lawn I heard such a ruckus  
I sprang from my Lazy Boy to see what the fuss was  
I ran to the sliding door, gasping and wheezing  
Threw open the curtains and upped the venetians  
The moon on the sand and the Trailer tarp  
Lit the beach up just like Eden Park  
But still when I saw, I thought I was asleep  
A miniature Leyland P76, pulled by eight tiny sheep  
With a little old driver, sipping a Fanta  
I knew in a moment, it had to be Santa  
Faster than Phar Lap on steroids they came  
And he coo-eed and shouted and called them by name  
Now, Kevin! Now Sharlene! Now Rangī and Beck!  
On, Darryl! On Shazza! on Bilbo and Shrek!  
To the top of the Pagoda, to the top of the wall  
Get in behind, Get in behind, Get in behind, All!  
As sand flies around a bar-b-que fly  
When they sniff the sizzlers and take to the sky  
So up to the top of the bach they flew  
With a boot full of toys and Santa Claus too

With a handbrake stop, they arrived on the roof  
Four Goodyear tyres and 32 hoofs  
And as I quickly turned and ran to the lounge  
Out from the chimney Santa came with a bound  
He was wearing board shorts, and gumboots on foot  
And his Mambos were covered in six-month-old soot  
A bundle of toys he had on his back  
As if on OE with a brand new Macpac  
He looked like he'd come from the beauty parlour  
With rosy red cheeks like Pohutakawa  
A gorgeous big grin and white as white hair  
With wee little tufts growing out of his ears  
He had a broad chest and a round beer gut  
That shook when he laughed like Jabba the Hutt  
He was chubby and plump, a right jolly hobbit  
And I laughed when I saw him, I couldn't stop it  
He gave me a wink and a bonza thumbs up  
And I quickly realised he wasn't a nut  
He went straight to the socks without saying a thing  
And filled them with barbies and Shrek 2 keyrings  
Then giving his nose a jolly good scratch  
He flew up the chimney with an almighty flash  
He jumped in the Leyland P76 and cranked the ignition  
And then they took off, like some NASA mission  
But I think I could hear, as he drove out of sight  
"Merry Christmas to all, have a bloody good night!"
