Editorial

Hi P nuts.

President Wayne has taken a temporary post at Port Augusta, we won't be seeing him in his usual chair for a few months. So remember the Club needs your help to have interesting meetings. Come and talk, or better still, write an article. Bring a techy bit.

Jilden Reichardt

THE PRESIDENT'S WORD.

Nobody would have missed the fact that Darren Holt was shifting camp to NSW at the beginning of the year to be close to Alissa's family. This has happened now and we wish them all the best as they settle into their new environment. Their leaving us has, as you are aware, left quite a hole in our club with Darren being our Secretary and, assisted by Alissa, producing our magazine.

It was so encouraging at our December meeting to have Sandra Deuter volunteer to take on the position of secretary in Darren's place. Sandra was at our last meeting in her official capacity and is getting to know the ropes as she works her way into the position.

Also at our last meeting, in February, I was delighted when Jilden indicated his willingness to take over the position of Magazine Editor again. This was a position I could envisage being difficult to find a replacement for, as it does entail a lot of work each month, with a deadline to adhere to. Is there one of our members who attends the meetings who would be willing to take some of the load off Jilden by taking, after the meeting, the magazines that need to be posted and doing just that? There are often coming events that are soon after our meeting that we need to make members aware of as soon as possible so mailing out would need to be within a few days of the meeting.

Nigel is under way with the *Under Bonnet Pads*, so they will soon be available to those who would like to tissy up their Ps as well as making the car quieter. It is interesting to observe that most of the cars I see are missing these pads so now is the opportunity to procure and fit them.

Wayne Kircher has gathered information on the whereabouts of most of our club assets and he will be reporting his results at the meeting so any current corrections can be made. This list will need to be updated whenever anything on it changes hands. Then at a meeting close after the AGM each August we will peruse it to see if any alterations need to be made.

I am looking forward to a good year ahead and as we do our bit to make the jobs of those with larger responsibilities that little bit easier then we should all find it very enjoyable.

Wayne.

Hi P76 Nuts,

Hope you all enjoyed
Australia Day!

Peter and I certainly did;
and were only one car that proudly flew
the Aussie flag. (Sure, made in CHINA!)
out of thousands!

We travelled to our daughter's in the
Latrobe Valley of Victoria.

Australia Day saw us line up at
The Gippsland Heritage Village for
breakfast, B.B.Q snags, Bacon + Eggs.

Us girls wore our Aussie Things, earrings
& hats (made in China) Peter wore his
Aussie Top hat he's had for 5 yrs,
that got him lots of comments!

We sang + danced to "Jimmy Barnes,"
"Peter Allen, Rolf Harris" + danced a
jig; Heel Toe Polka, Waltz, and
Rock'n' Roll; wonderful time!

How ever, Peter came home minus his
Top hat! He gave it to a woman
to send to her son in the U.S.A.!!

It was sure good to be home!!

Sandra Deuter.
I even brought home some REAL GOLD

Hi Fellow Members,

What a great Club Run on the 14th. March (for those of us that attended).

We met at Daveystore and cruised through the beautiful Seppeltsfield, stopping at the **Seppelts Mausoleum** and walking up the hill to take in the breathtaking view.

The Seppelts family came to the Barossa Valley in the 1850's and planted tobacco. When that didn't take off they planted date palms, then finally vines.

Seppelts Winery was the only one to produce vinegar and also Raspberry Cordial (both no longer produced).

One of the Great Grandchildren is trying to reproduce vinegar, but the original recipe died with the ancestors.

This company produce prize winning wines.

We then cruised on to the **Dorrion Winery** for a tasting. They make great Mead and Chocolate Port. (Yes, we purchased a bottle, Wayne K. purchased two!). From there we drove to the **Weintahle** for lunch and what a meal it was!! (I didn't have to chase the jockey).

Bowling was most enjoyable (I didn't bowl one gutter ball) but my grand-daughter succeeded in bouncing a ball onto the next lane.

From bowling we cruised up to **Menglers Hill Look Out** where there is a Sculpture Park with sculptures by people from all over the world depicting attractions from the Angaston area. The Eagles Head carving was magnificent. Wedgetail Eagles breed around Angaston.

Then down the hill to **Faith School** to listen to Chris Izaacs and Tina Arena at "**Barossa Under the Stars**". Then we headed home.

Keep tuned for our next Club Run - April 5th. **Rock'n'Roll Rendezvous** at **Birdwood Mill**. 10 – 12 midday. B.Y.O. lunch or purchase locally.

Fun for everyone - dancing, judging demos. Come along and have fun and "show off your car".

Sandra Deuter.

Leyland P76. Anything but average.

Need friendly advice about Australia's own car - the **Leyland P76?**

Maybe you're one of the elite group of people that actually own one of these fine motor vehicles, or would like to own one, or just plain interested in this great Aussie car.

South Australia has a very strong and active club which promotes these vehicles, but just as important, a social calendar which caters for the needs of every member and age group. We also have our own parts shed which is full of new and used parts, which are available to club members for a fraction of the cost of parts available elsewhere.
