# Australia Day Walkers Flat on the River Murray

## ***PRESIDENTS RAMBLINGS***

Well here we are in 2016 with another year behind us. The Club is just ticking along with our existing members but nothing exiting happening. My restoration continues slowly but health issues put a halt to things for a while however I should have more time soon as retirement looms so we can make some impression on things then.

Australia Day at Walker Flat up the Murray was a bit of an experiment and only one car turned up on the day. I think that the Car of Australia event at Strathalbyn on Sunday the 24<sup>th</sup> caused some confusion by not actually being on the Australia Day however the Walker Flat event had a good mix of cars with probably 100 on the lawns by the ferry. Not much room to spread out but we found a good shady spot.

Di and I free camped a little further up the river which was a nice quiet spot with most holiday makers having returned home to prepare for kids returning to school.

The next Easter Nationals are to be held in 2018 in Victoria somewhere so although more than 2 years away try to lock in that time on your calendar. The 3 year gap seems a long time between drinks and this opinion was voiced at our 2015 Nationals but the choice has been made, maybe a get together may happen in the meantime?????

More as it occurs
