<b>MEETING CLOSED</b>	20.48		

**VALE**

**WAYNE FILMER**

On November 9 2017 we lost our Club member Wayne to an aggressive brain tumour.

Wayne had his P76 from near new and will be remembered from many car shows as the Envy Green of many other owners. He joined our Club in the 90s and became a committee member in 1997 remaining on the committee until his passing. He was Vice President and President for several years and our Federation of Historic Motoring Clubs delegate since historic reg became available in South Australia.

In his "other" life Wayne had a love of things flying and worked as an aviation engineer for several well known aviation groups including The Royal Flying Doctor Service. He was also an accomplished pilot and spent several years as a flying missionary in the highlands of PNG.

Our thoughts are with Helen and the family

He will be missed

<b>GENERAL MEETING OF THE LEYLAND P76 OWNERS CLUB SA Inc.</b>			
<b>HELD AT</b>	24 Elijah Street, Morphett Vale		
<b>OPENED</b>	7.54 pm	<b>DATE</b>	5/12/2017

	Discussion on what spares to take to Wodonga		
<b>NEXT MEETING</b>	Feb 6th 2018 at John Armstrong's		
<b>MEETING CLOSED</b>	9.10 pm followed by tea, coffee and biscuits		

## ***PRESIDENTS RAMBLINGS***

I was reading through some old Club magazines the other day and it gave me an idea to give you a review of what the Club was doing 20 years ago. Picture, if you will, 1997, your P76 was 23 or 24 years old and many more of them on the road at that time. The SA Club had 34 members of which about half this number attended our monthly meetings which were held at a church hall at Unley. Easter get together that year was held in Darwin with 3 P76s making the trip up the middle. LPG was an astronomical 38 cents per litre. Our Club had a 10 pin bowling comp against the Jaguar Owners Club which we won. There was some testing going on with Fuelstar additive as leaded petrol was being phased out at the time. R12 air-con gas was also being phased out and several substitutes were being pushed by the air-con service companies. Star Wars (which was 20 year old classic at that time) was on at the West Beach drive-in for \$10 a car load. We ran an article on what to do when the cable breaks on your bonnet release latch which is probably worth running again as your cable is probably 20 years older too. We were still printing our Club magazine and photocopier maintenance costs were a bit of a tax on Club funds. At the AGM in August we broke the glass ceiling and elected our first female President, Gerry Stewart to head our committee. Sneek peak pictures of the new Mini were shown to whet your appetite for a 2001 release. The Club 2-boot trailer exercise was initiated with the original concept to have Omega Navy paint complete with Targa stripes but I guess economics got in the way. Well that's a brief overview of what was happening 20 years ago, many of our members have now moved on and our numbers have dwindled but we press on.

Have an enjoyable Christmas and prosperous New Year and thanks for your help over the past 12 months.

Cheers for now .....Nigel

Please note that the email contact details for the SA Club Editor & Spare Parts is [editor76@chariot.com.au](mailto:editor76@chariot.com.au)

<b>LEYLAND P76 OWNERS CLUB (S.A.) INC. SPARES LIST</b>
