SHARE THE PASSION

28th November 2009

With the 27th March fast approaching, we felt it was time to update you on the upcoming Brookton Old Time Motor Show. Our theme is 'Muscle Cars', however, as with previous years all vintage vehicles are welcome – cars, trucks, chainsaws and bikes included! We will once again be welcoming back the fantastic array of vehicles and machinery, out for all to see in the Roadwise Grand Parade. There will be Shearing demonstrations, Aerobatics, Plane rides and the Local Fire Brigade mock rescue. Not forgetting the family, we have some fantastic family interest stalls along with a variety of children's entertainment, including a Scitech interactive science display, once again, something for everyone—a day out for all.

Our registration pages on the website are open so please fill these out and register your club, or just as individuals if you prefer. (www.otms.org.au) We are again welcoming camping on the oval, we have two bands playing Saturday, one starting late Saturday afternoon, Bridging the Gap and then a Classic Rock band, Men and Their Sheds will continue into the evening.

The entrance fee for the day is \$12.00 per adult and \$5 for 10 to 17 year olds, 9 and under are free. All proceeds from the day are donated back into the local community, your previous support has led to us raising much needed funds for our local St John Ambulance, local School and to the local Historical Society just to name a few!

We look forward to welcoming you on the day, please do not hesitate in contacting either Brad or myself on the above numbers, or by email if you require any further information.

Regards

Suzanne Turner
Secretary
